

# Astra Vein Treatment Center

Patient safety, personalized attention, and quality of care are the hallmarks of our practice.

## About us

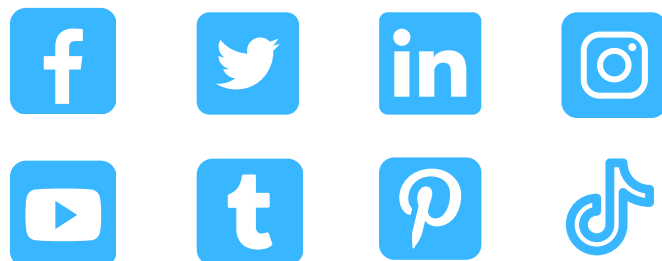

The Astra Vein Treatment Center in Bronx is the foremost center for New Yorkers seeking expert diagnoses and treatment for vein abnormalities, from varicose veins to deep vein thrombosis. The vein treatment center was founded by Dr. George Bolotin, an accomplished Interventional Radiologist who brings extensive education, training and experience to his practice. Alongside Astra Fibroid Treatment Specialists, Dr. Bolotin and his team of vascular specialists accept most insurance coverage, making the Bronx-based practice ideal for all your vein and fibroid conditions.

Call the center today for a consultation by number (929) 447-4563.
